Fake e-Visa Websites Alert

It has been brought to our notice that a number of fake visa websites are operating on the internet, claiming to provide e-Visas services for India to visa applicants. In order to mislead applicants, some of these websites have created images and home page templates mimicking the Government of India websites for visa applicants.

The correct website for applying e-visa is <https://indianvisaonline.gov.in/visa/index.html>. Applicants are requested not to rely on any other website for e-Visa services.
